SUBJECT: Breakfast Bullets for the Week of 24 October 1988

Following are some OL activities which you may wish to include in your discussions with the Acting DCI next week:

- Paving DCI Garage: Rain has delayed paving of DCI garage. Surface is prepared and paving will be done as soon as weather permits, probably Tuesday. Anticipate garage will be ready for use by Friday. Arrangements have been made to provide use of the VIP parking lot. Status of this project is being closely coordinated with DCI Admin.
